HERBAL HOLLAND · ACCESSORIES · MANUFACTURING SPECIFICATION

The range, for making.

Fifteen products, one look: black and Sunset, the Mark and the name. Every line below gives the size, material, colour, finish, print method and print area, the artwork file and the pack. Artwork files are supplied separately as outlined SVG at actual size, PDF and 300 dpi PNG; match colours to the chart on the next page and send a pre-production sample of every colour-critical part (anodising, paper tint, decals, fabric) before the run.

Adults 18+ wording stays as drawn wherever it appears. No prices in this document.

Colour chart

Sunset

Hex	#F5913C
Pantone	1575 C
RAL	2003 Pastel orange
CMYK	0 / 52 / 80 / 0
Thread	Madeira 1278 / Isacord 1102

Warm black

Hex	#0C0A09
Pantone	Black 6 C
RAL	9005 Jet black
CMYK	70 / 65 / 65 / 90
Thread	Madeira 1000 / Isacord 0020

Cream

Hex	#FBF7F3
Pantone	Warm Gray 1 C at 20%
RAL	9001 Cream
CMYK	2 / 3 / 5 / 0

Before the first run

- A pre-production sample of every colour-critical part, approved against a Pantone 1575 C swatch in daylight.
- Certificates on file for the papers (heavy metals, burn test, colourant), the bags (food-grade), the pen (CE, RoHS, UN38.3) and the lighter (child-resistance where required).
- Artwork is never redrawn, outlined, stretched or recoloured; if a print area does not fit, tell us and we re-set the file.
- Pack and carton labels carry the SKU and the product name only.
